To whom it may concern

Novac Group Pty Ltd t/a Floorin were engaged by Cru Construct Pty Ltd to undertake the floor leveling works on the Acqua Development at 1013 Gold Coast Highway, Palm Beach. This project consisted of 62 Residential Units with floating timber floors, a Gym floor on 8mm rubber and a Manager's Office on carpet tiles which all required forms of floor preparation prior to the finished floors being installed.

Novac Group Pty Ltd t/a Floorin provided a high standard of finish throughout the construction phase and were able to work with other trades to achieve key milestone dates in the programme.

Novac Group Pty Ltd t/a Floorin maintained a consistent point of contact for the project, attended all required trade programme meetings and worked in well with other trades when required.

We have no hesitation in providing a reference for this company and its workers based on what was delivered for us, and will be utilising the services of Novac Group Pty Ltd t/a Floorin on future projects.

Regards

David Schramm

Construction Manager
