Date: 7th December 2012

ref: Kristo Raam

Dear Sir / Madame,

Kristo worked for Hanssen, through Construct Contractor Solutions, for six months.

He was employed as a carpet fitter and concreter at the Pelago East project situated in Karratha. Kristo is a good worker and we would have no problem in recommending him as an employee or employing him again should the situation arise.

Yours Sincerely

Michael Hanssen
North West Project Manager
